

New NSAS Monthly Field Trip Registration System:

Due to overwhelming popularity of our Monthly Field Trips, which are often limited to 15-20 members, we will be implementing a new sign-up system this Fall. We hope this system will allow all members an equal opportunity to be selected to attend and expand the number of members who are able to participate.

NSAS New Registration Process:

1. **Field Trip Information Notice:** A detailed Monthly Field Trip announcement will be emailed to you, and posted on our website, approximately 1 month before each trip is scheduled to take place. Trip details will include information about the trip, the date and time the Sign-up Form will be emailed to you, and when that the trip registration begins.
2. **Registration Forms:** will be emailed to you, approximately 1 week after you receive the Field Trip Notice, at the date and time described, and usually the following Saturday at 9:00 a.m. **(Remember to check your Spam/Junk Folder)**
3. **Submit the Registration Form:** Complete the simple form and click on the **Submit Button** to insure your place on the trip. Sign-ups will be on a first-come, first-served basis. Trips will be reserved for Members first, and only open for non-members if space permits.
4. **Please Note:** If for any reason you need to cancel your participation, please inform the Field Trip Coordinator so that an alternate member may take your place.
